Subject: Allowance counted not mailed (62 days) /09/697492

Man, the allowance in this case was counted 62 days ago but not yet mailed. The action was maybe sent back for correction or simply got lost. Please re-print the papers for the allowance, sign and give them to your LIE for mailing and scanning only (no counting is needed).

Please let me or Wellington know if you need help.

Thanks
-Ahmad Matar
